## *the great british mortgage swindle*

## STOP PRESS...

With no hint of irony or hyperbole, this 'shockumentary', shot over five years in various locations around the lands known as the British Isles, breaks apart the issue of our times: **THE PEOPLE VS THE BANKS.**

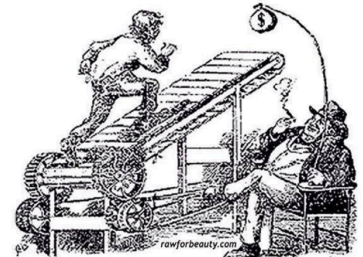

Unique in its grass roots style, production and subject matter, [The Great British Mortgage Swindle](#) (TGBMS) reaches into the very heart of an iniquitous financial system that uses fake debt as a pretext for stealing the homes of the peoples of Britain.

TGBMS could well be the film of 2014 that galvanises the British people into action. Featuring harrowing scenes from the civil war that is being waged by the Banks against the People, this ground-breaking film weaves

together a series of narratives, largely filmed by the people themselves. It reveals the enormity of the corruption which has beset all aspects of her majesty's justice system, the land registry and the legal professions, when dealing with claims and counter-claims of institutionalised mortgage fraud by the banks.

Currently in the final stages of post-production, its initial test screening will be at a Special BanksterBusters™ Conference near Nottingham on **Sunday 17 August**, just two weeks away.

WHEN THE ENTIRETY OF YOUR EARNINGS ARE EXHAUSTED ON FOOD AND SHELTER, YOUR LABORS ARE NO LONGER VIEWED AS AN OPPORTUNITY FOR ECONOMIC ADVANCEMENT, BUT RATHER AS AN ACT OF SELF-PRESERVATION. IN THE REAL WORLD, THAT'S CALLED ...SLAVERY
